

FIBERPRO® ES-STEAM™

Low Foam Extraction Cleaner

This powerful blend of low foaming detergents is specifically designed for steam or hot water extraction carpet cleaning. It quickly cuts through soil and grease to brighten carpet fibers instantly. Its special blend of surfactants rinses easily and completely, leaving no residue which can lead to premature re-soiling. This product is highly concentrated for outstanding performance at an economical price. It mixes easily with water and will not clog equipment nozzles. It contains the patented deodorizing power of O₃Z malodor counteractant to eliminate odors at their source. This product is not for use on stain resistant carpets.

Uses

- Recommended for use with steam or hot water extraction equipment.

Benefits

- Versatile - For use in all types of extraction equipment for carpets, rugs, mats and runners.
- Saves time - Powerful formula quickly penetrates heavy soil including grease, dirt, oil and many common stains. Gets the job done quickly, the first time.
- Economical - Highly concentrated formula delivers powerful cleaning action at a very affordable price.
