

Ready-To-Use

FIBERPRO® SPOT BET

All Purpose Spot and Stain Remover

This easy-to-use, all-purpose carpet spotter combines detergent and deodorant technology to remove the most stubborn spots and stains. It effectively removes spots caused from a variety of oil and water-based stains. The unique formula deeply penetrates the carpet fibers to break up and release tough spots and stains for easy removal. It does all this with out leaving a residue which can cause re-soiling. This carpet spotter has earned CRI approval.

CRI Seal of Approval - The Carpet and Rug Institute (CRI) has established testing methods for carpet and spot removers. The performance tests include soil removal efficacy, resoiling, residual moisture, surface appearance change, color fastness, pH and optical brighteners.

Uses

For alkaline and acid based stains on carpets, rugs and upholstery typically caused by:

- Chocolate
- Coffee
- Grease
- Iodine
- Liquor
- Oil
- Pets
- Soft drinks
- Urine

Benefits

- Powerful formula quickly unlocks most soil types from carpet fibers.
- Versatile - The perfect spot remover for carpet, rugs and upholstery. Use only on water safe material.
- Emulsifies and lifts soils for removal by blotting.
- Excellent for spot, stain and traffic lane. Prespray prior to full cleaning.
- Safe for use on stain resistant carpet fibers.

Properties

Color	Colorless
Detergency	Excellent
Flash point	None
Foaming	High
Fragrance	Country Fresh
pH.....	8.0 - 9.0
Shelf life	1 year

Directions For Use

Read the entire label before using this product.

Recommended for use on all types of carpet, fabric and upholstery. Always test first in an inconspicuous area. Apply a small amount, press with an absorbent, white cloth for 10 seconds and see if there has been any dye transfer. Special precautions are necessary if the stain has been caused by animal urine. The urine may affect the color fast nature of the dye used in the carpet. FOR NORMAL SPOTTING AND STAIN REMOVAL: Apply using a trigger sprayer to saturate the fibers. Wait a few seconds for the spotter to penetrate and break up the spot or stain. Agitation may be used with a bone scraper or carpet brush. Work from the outside to the center, blot with an absorbent white cloth (avoid rubbing). Pick up the spotter solution as quickly as possible. Extraction or rinsing with clean water may also be performed. Care should be taken to prevent overusing the product or over saturation of the carpet.

Safety

Keep out of reach of children. For institutional and commercial use. WARNING: Contains Glycol Ether. Avoid contact with skin and eyes. Wear suitable eye wear and gloves. Remove contaminated clothing immediately. Harmful if swallowed. FIRST AID: IF ON SKIN OR IN EYES: Flush with large quantities of water. IF INHALED: Get to fresh air. IF SWALLOWED: Dilute with two glasses. Contact a poison control center or doctor immediately.
