

# GREEN EARTH®

## READY-TO-USE CITRUS CARPET SPOTTER

This thickened gel formulation delivers powerful solvent cleaning action right to the desired spot. Because it is a gel, it clings to the stain to provide longer contact time for improved stain removing performance. The natural solvents are very effective at removing oily stains, gum and adhesives. This formula also rinses easily with water, so it won't leave an oily solvent residue on the carpet.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

### Uses

- Recommended for use on spots on all types of carpets and rugs.

### Performance Benefits

- Powerful - Directs solvent action right where it is needed.
- Versatile - Removes a wide variety of stains.
- Easy to use - The thickened formula is easy to apply.

### Environmental Benefits

- Formulated with natural citrus solvents.

### Properties

Color .....White gel  
Fragrance .....Citrus  
VOC content .....<8%  
Shelf life..... 1 year

This product contains less than 8% VOC by weight.

### Directions For Use

Read the entire label before using this product. **SHAKE WELL BEFORE USING.** Test in an inconspicuous area before using. Remove as much of the staining material as possible prior to applying this product. Apply a small amount of this product and agitate using the bone scraper. Blot dry using a white, absorbent cloth. Rinse with water and blot dry.

### Safety
