

CITRUSOLV™ CONCENTRATE

Natural Degreaser • Deodorizer

Formulated with "natural citrus solvents" to degrease, penetrate and liquify heavy grease and oil deposits from many surfaces. Ideal for removing oily films from metal surfaces, unclogging drains and grease traps, removing tar from most hard surfaces, cleaning motors, removing adhesives, decals and many other difficult cleaning tasks. This formulation contains natural citrus solvents extracted from the peel of oranges. The refreshing citrus fragrance will tackle the most difficult deodorizing tasks. It is nonconductive and noncorrosive to metals, yet possesses terrific solvency, grease dispersion and deodorant qualities.

Uses

- Dip cleaning of electrical motors, parts and equipment.
- Eliminate scum cake and liquify grease in pumping stations, wet wells and sewer lines.
- Spray cleaning of electrical motors, parts and equipment.
- Drain and grease trap maintenance.
- Odor control.

Benefits

- Contains no hazardous components such as xylene, toluene, benzene, orthodichlorobenzene, 1,1,1-trichloroethane, trichloroethylene or methylene chloride.
- Nonacid, noncaustic and noncorrosive.
- Maintains drains and grease traps.
- Cleans greasy floors, walls and equipment.
- Removes adhesives, decals and chewing gum.
- Controls odors in problem areas.

Properties

Color	Colorless
Corrosion to metals	None
Evaporation rate	Good
Flash point (diluted with H ₂ O)	None
Flash point (undiluted)	125° F (TCC)
For nonconductive cleaning	Yes
Fragrance	Citrus
pH at 10% dilution with H ₂ O	8.0
Residue	Trace
Solvency	Excellent
Specific gravity	0.85
Water rinsable	Yes

Authorized Betco Distributor

Directions For Use

Read the entire label before using this product.

Although this product may be used on most plastics and painted surfaces, be sure to pre-test before using. **DRAINS AND GREASE TRAPS:** To keep drain lines open and deodorized, pour 4 - 8 ounces or 31 - 63 mL/L into drain. Allow to sit for one hour, then flush with hot tap water. Repeat if necessary. **BUILT UP GREASE AND SOIL DEPOSITS:** Mix 4 oz/gal. or 31 mL/L (1:32) of warm water and apply generously to surface with mop, sponge or rag. Let stand for 5 minutes, then rinse clean with water.

Safety

Keep out of reach of children. For industrial and commercial use. **CAUTION:** Contains Citrus Terpenes. Combustible. Keep away from heat, sparks and fire. Avoid contact with skin and eyes. Wear chemical anti-splash goggles and suitable gloves. Harmful if inhaled. Do not take internally. **FIRST AID:** If splashed on skin or in eyes, flush with large quantities of water. If inhaled, get to fresh air. If swallowed, call a physician immediately.
