

Ready-To-Use

CITRUSOLV™ HF

High Flash Solvent Degreaser

This high flash solvent degreaser is designed to rapidly clean and degrease all types of metal parts, electrical equipment, motors and components. Perfect for use in most solvent based parts washing systems. The non-corrosive formula evaporates quickly with no residue. Formulated with the finest grade of natural citrus terpenes available, this product complies with latest consumer product VOC limits for applicable categories. Contains no chlorinated solvents or CFC's.

Uses

- All solvent based parts washing
- Steel drum mounted parts washers
- Dip tanks
- Engine degreasing
- Electric equipment cleaning
- Sewer lines, pumping stations

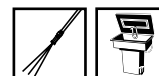

Features

- Quickly cuts through grease, oil, carbon and other tough soils.
- 145°F flashpoint helps reduce flammability concerns.
- Non-conductive, high dielectric strength for safe electrical equipment cleaning.
- Evaporates quickly with no residue.
- Versatile - natural citrus solvents clean a variety of surfaces.
- No obnoxious fumes.
- Meets VOC limits for applicable categories.
- Non-acid, non-caustic, non-corrosive for safe use.
- Replaces hazardous solvents.

Properties

Color	Slight Yellow
Fragrance	Orange citrus
Solvency.....	Excellent
Flash point (minimum).....	145° F (TCC)
Dielectric strength.....	25,000+ volts
Specific gravity0.80
Evaporation rate	Fast
Chlorinated solvents	None
Corrosion to metals	None
Residue.....	None
For nonconductive cleaning.....	Yes
Safety on painted surfaces	Good
SARA 313 ingredients	None
Meets VOC limits for applicable categories	Yes
Shelf life.....	1 year

Authorized Betco Distributor

Directions For Use

Read the entire label before using this product.

SOLVENT PARTS WASHING: Fill parts washer with straight solution. Clean parts and allow to air dry for residue free surfaces. Top off with fresh solution as needed. **DIP TANK:** Soak parts until clean, allow to air dry. **ELECTRICAL MOTORS AND EQUIPMENT:** Spray solvent directly on surfaces with air gun or sprayer. Wipe dry with clean cloth or air dry. **PUMPING STATIONS, WET WELLS AND SEWER LINES:** Add product directly to force mains and sewer lines as needed to remove heavy grease build-up.

Safety

Keep out of reach of children. For industrial and commercial use. **CAUTION:** Contains Petroleum distillates. Keep away from heat, sparks and fire. Avoid skin and eye contact. Wear suitable eye wear and gloves. Harmful if inhaled. Do not take internally. Harmful if swallowed. **FIRST AID:** If splashed on skin or in eyes, flush with large quantities of water. Remove contaminated clothing. If inhaled, get to fresh air. If breathing is difficult, give oxygen. If swallowed, do not induce vomiting. Call a physician immediately.

Available In

- Case/5 Gallon (18.9 L): Item #21405-00
- Drum/55 Gallon (208 L): Item # 21455-00
- Reusable Tote/330 Gallon (1249 L): Item #21433-00
