

DEEP BLUE CONCENTRATE

Ammoniated Glass and Surface Cleaner

This concentrated product quickly penetrates dust, smoke, grease and grime on most glass and window surfaces, but it is also excellent for cleaning stainless steel, porcelain and chrome. Great for hard surfaces. Nonstreaking and nonsmearing. Surfaces stay cleaner longer. Fortified with ammonia and several grease cutting surfactants for extra cleaning power.

Uses

- Appliances
- Chrome
- Mirrors
- Most painted surfaces
- Refrigerators
- Stainless steel
- Windows (non-tinted)

Features

- Cleans and brightens most hard surfaces.
- Advanced formula is fortified with ammonia.
- Dissolves smoke, grease, smudges and filth.
- Convenient and easy to use. Just spray it on and wipe it off. Leaves no smears, smudges or streaks.
