

GREEN EARTH®

PUSH® DRAIN MAINTAINER FLOOR CLEANER AND SPOTTER

A stable liquid suspension of cultured bacteria and malodor counteractants capable of digesting complex proteins, starches, fats, oils and greases, paper, vegetable gums, hair and other organic waste. Odor control is provided instantaneously by neutralizing the malodor and eliminating the odor at its source. Billions of "nonpathogenic" bacteria in every ounce produce enzymes that degrade these organic wastes naturally. Because enzymes are continually regenerated by these bacteria, this product is much more economical and efficient than using massive doses of enzymes alone to degrade waste and eliminate the source of odors.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Carpet
- Drains
- Floor drains
- Sewers
- Sinks
- Showers
- Traps
- Upholstery

Performance Benefits

- Carpet and fabric care - For odor control and spot cleaning, diluted product may be applied directly on the source and left overnight.
- Eliminates malodors - Restroom areas around commodes and urinals, floors and drains.
- Drains - The types of bacteria in this formulation will digest:
 - Grease, fats and oils
 - Paper and hair
 - Laundry detergents
 - Proteins and starches

Environmental Benefits

- Noncorrosive, nonflammable, non-acid and noncaustic.

Properties

Acids.....	None
Alkali.....	None
Color.....	Milky white
Effective pH range.....	5 - 10
Effective temperature range.....	50° - 100° F
Flammability.....	Nonflammable
Fragrance.....	New Green
Odor counteractant.....	O ₂ Z
pH.....	7.0 - 8.0
Shelf life.....	1 year

Directions For Use

Read the entire label before using this product. Be sure to pretest before using. CARPETS: For pet odors, pour directly on odor spot. Blot with a clean white cloth. Repeat if the odor persists. CARPET MACHINES: To deodorize carpets, add 1/4 cup of product to the solution tank. RESTROOMS: To deodorize urinals and bowls, spray surfaces and surrounding area. FLOORS: Dilute 2 - 5 ounces per gallon and mop directly onto floor. Pour excess directly down the drain. GREASE TRAPS: For less than 20 cubic feet capacity, add 4 - 5 oz. of product daily by pouring into a sink or pipeline closest to the trap. Perform when the traps are used the least. Flush down with 1 cup of lukewarm water. For traps larger than 20 cubic feet, add 8 - 10 oz. daily using the same procedure. SEPTIC TANKS: Initial treatment, add 1 pint per 25 cubic feet capacity. Thereafter, use 8 oz. per week. Pour directly into toilet and flush. DRAINLINES AND DOWN PIPES: Use product a minimum of 2 times weekly, to a maximum of 4 times. Start on the lowest floor and work 1 floor per day. Do not treat the same floor twice. When the top floor is reached, continue treatment for the top floor only. PIPE SIZE/DOSAGE/FREQUENCY: 2"/4 oz./2 times/wk.; 4"/8 oz./2 times/wk.; 6"/12 oz./2 times/wk.; 8"/16 oz./2 times/wk. **NOTE: Do not subject this product to disinfectants, boiling water or chlorinated products.**

Safety

Keep out of reach of children. For institutional and commercial use. **CAUTION:** May cause skin and eye irritation. May cause respiratory irritation. Avoid contact with eyes. Avoid contact with open wounds. **FIRST AID:** SKIN: Remove contaminated clothing. Wash affected area with soap and water. Seek medical attention if irritation persists. EYES: Flush eyes with large quantities of water. Seek medical attention. INGESTION: Drink two glasses of water. Seek medical attention immediately. IF INHALED: Get to fresh air.
