

PSP180 James

PSP 180 James Compact and very lightweight making it ideal for smaller places with low pile carpets and hard floors. Key Features: High performance 680 watt vacuum motor with 2,000+ hours of life - over double the industry standard. Industry leading 5 year commercial motor warranty. Noise levels of 47 dB(A) won't disrupt building occupants and are excellent for daytime cleaning. 98.6% efficiency improves indoor air quality and reduces dust. Consumes 43% less energy than competitors' 1200 watt units - the most sustainable vacuums on the market. At only 13 pounds, it is easy to transport. Rubber coated wheels allow James to easily follow you around without the chance of scuffing or scratching floors. Equipped with a combination Carpet/Floor tool that easily transitions between surfaces. Units feature a "quick change" cord system - simply unplug one and plug in another. Durable polyethylene tank. 12" cleaning path. Tritex filter and disposable HEPA cloth bags for better air flow and filtration.

Tank Capacity	2 gal.
