

# TOP FLITE™ PLUS

## All Purpose Cleaner

This all purpose cleaner is gentle enough for everyday cleaning, yet strong enough to effectively clean even the toughest grease and oil. This cleaner is effective on grease, oil, crayon, fingerprints, lipstick, smoke film, ink, coffee and cola stains on most washable surfaces. Clinging foam provides extended contact time on heavily soiled areas.

### Uses

- Canvas
- Ceramic tile
- Walls
- Paneling
- Stainless Steel
- Vinyl

### Features

- Clinging foam provides extended contact time for cleaning vertical or inverted surfaces.
- Stable foam emulsifies grease and oil for easy removal.
- Powerful - A blend of surfactants, synthetic detergents and glycol ether makes this product one of the most powerful aerosol foam cleaners available.
- No CFCs - Federal regulations prohibit the use of CFCs in aerosol formulations.

Appearance.....	White Clinging Foam
CFC's .....	None
Flammability .....	Nonflammable per CPSC flame projection test
Fragrance .....	Pleasant
Net weight .....	19 ounces
pH .....	12.0 - 13.0
Spray pattern .....	Oval spray
Storage stability .....	120° F maximum

### Directions For Use

Read the entire label before using this product.

Clinging foam provides extended contact time for cleaning vertical or inverted horizontal surfaces. Stable foam emulsifies grease and oil for easy removal. Does not contain ingredients that have been shown to damage vinyl or plastic surfaces. *Not recommended for use on glass or water based paints.* Shake well before using. Apply product and allow to sit for several seconds. Wipe with a cloth or sponge, rinse if desired.

### Safety

**DANGER.** Extremely flammable aerosol. Contents under pressure. Vapour can travel to ignition source and flash back. Causes severe eye irritation. Prolonged or repeated exposure may cause skin irritation. May aggravate existing eye, skin or respiratory tract conditions. May be fatal if inhaled or swallowed. Container may explode if subjected to excessive heat. Contact with liquid may cause frostbite. PRECAUTIONS: Avoid breathing vapor. Avoid contact with skin and eyes. Store in a cool, well ventilated area, away from incompatibles. Keep away from heat, sparks, flame and oxidizing materials. Do not spray on hot surfaces. Do not inhale vapour or mist. Avoid prolonged or repeated skin contact. Do not store at temperatures exceeding 48°C. Wear suitable protective clothing. Use with enough ventilation to keep below TLV. Wash thoroughly after handling. Avoid food contamination. KEEP OUT OF REACH OF CHILDREN. **FIRST AID:** Contains ethylene glycol monobutyl ether. For eye contact, flush with running water for at least 15 minutes. For skin contact, wash with soap and water while removing contaminated clothing. If inhaled, remove victim to fresh air. If breathing stopped, begin artificial respiration. If ingested, do not induce vomiting and seek immediate medical attention. For all cases, obtain medical attention if irritation persists.
